

## INFORMATION FOR USERS RESIDING IN THE EUROPEAN UNION

In accordance with art. 13 of Legislative Decree of 25 July 2005, no. 151:

"Implementation of Directives 2002/95/EC and 2002/96/EC, concerning the reduction in use of hazardous substances in electronic and electrical equipment and disposal of waste".

- The above symbol, which is also shown on the equipment, means that the equipment along with all the components and sub-assemblies which are an integral part of the product, must be collected separately when the user no longer needs it.
- The collection of this appliance at the end of its useful life, is organized and managed by the manufacturer. The user who will decide to get rid of this appliance must contact the manufacturer and follow the method of collection the manufacturer has adopted. For information on the methods of collection of this equipment, please contact:
  - for Italian customers only, Mazzer Luigi srl or the Italian retailer.
  - for the European Union, the retailer or other organization listed in the national registers of your nation, who is required to salvage the equipment.
- Proper separate collection for subsequent re-cycling, treatment and environmentally compatible disposal of the equipment aids in preventing negative impact on the environment and health, and favours the re-cycling of the materials of which the equipment is made.
- Abusive disposal of the product by the user will result in application of sanctions set forth by national implementation of Directives 91/156/EC and 91/689/EC.
