

MAZZER

Super Jolly

Doser • Your coffee wingman

Super Jolly

Premium grinder for **small to medium** sized cafès looking for **quality**, **durability** and **consistent results**.

Automatic dosing system: activates every 12 doses and automatically stops when the coffee doser reaches full capacity.

→ WHAT'S NEW

Twice as fast

Compared to the previous model (range: 4,0—5,2 g/s) thanks to its new bespoke high torque asynchronous motor.

Maximum consistency

The new motor delivers enhanced performance while staying cool. Grind size stays consistent across all workloads, eliminating the need for adjustments.

No coffee waste

A new removable outlet funnel and upgraded stainless steel adjustable portafilter holder keep the flow of grounds perfectly centered, reducing mess and ensuring consistent dosing.

→ NEW BURRS

64 mm
flat burrs

STANDARD

205D

FLAVOR PROFILE: Classic, well-balanced cups with relevant body and chocolatey notes.
IDEAL FOR: medium to dark roasts and milk-based drinks.
MATERIAL: Bearing steel.

ZZ BURRS • OPTIONAL

ZZ k206P

FLAVOR PROFILE: Well-rounded cups with a complex structure of flavours, nice acidity, fruity notes, a soft, velvety texture, and light-medium body.
IDEAL FOR: light and medium roasts.
MATERIAL: Special steel ensures longer lifespan and ultra-precise machining for maximum consistency.
INNOVATIVE GEOMETRY: long-winded, continuous, sharp teeth which gradually refine the particle to the end.

→ FEATURE HIGHLIGHTS

CALIBRATION RING
A numbered ring to set a zero point where the burrs touch, and always know your exact grind setting

EASY TO CLEAN
Easily access and clean the grinding chamber without losing your grind settings

DOSER
Designed to keep your coffee fresh, with an easy to use dosing lever for barista ergonomics

FEATURES

- Easy to clean: access the grinding chamber without losing your grind settings
- Calibration Ring: a numbered ring that lets you set a zero point where the burrs touch, so you always know your exact grind setting
- Adjustable portafilter holder
- Removable funnel to consistently center the flow of grinds into the basket and reduce coffee dust on the counter
- Stepless micrometrical grind adjustment
- Doser designed to keep your coffee fresh; Easy to use dosing lever for barista ergonomics
