

Philos Laguna Blu

Philos Laguna Blu

A piece of where we come from. Inspired by the changing shades of the Venetian lagoon, Laguna Blu captures the colour, light and movement of water in a distinctive edition of Philos. Made in Venice. Designed to make your coffee ritual even more special.

FEATURES

- **SINGLE-DOSE WORKFLOW:** designed for precise dosing and maximum control over every coffee preparation.
- **64 mm FLAT STEEL BURRS:** engineered by Mazzer to deliver consistent and excellent coffee across a wide range of brewing methods.
- **STEPPED or STEPLESS:** if you are looking for infinite settings to dial in the perfect shot, Philos can be easily converted into a stepless grinder.
- **ZERO RETENTION:** design minimizes residual coffee between doses, helping preserve freshness and reduce waste.
- **ESPRESSO TO FILTER:** versatility allows precise grinding across a broad range of brewing methods.
- **EASY BURR ACCESS:** allows quick access to the grinding chamber for straightforward cleaning and maintenance.
- **COMPACT DESIGN:** combines professional grinding performance with a reduced footprint, making Philos ideal for both home and professional environments.
